

Growing the Fruit of the Spirit

But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, self-control; against such things there is no law. And those who belong to Christ Jesus have crucified the flesh with its passions and desires.
Galatians 5:22-24

Psalm 107:1
"Oh give thanks to the LORD, for he is good, for his steadfast love endures forever!"

Goodness

Main Idea: God is good. The goodness we receive through his Spirit is a goodness that is transparent and generous.
