

Members of North Shore Fellowship,

Your Session has contacted the following 9 pulpit committee nominees, and all are willing and available to serve in this role.

As a reminder, their hope was for this group to be a diverse mixture of men and women and of various ages that reasonably represents our membership.

In 2 weeks, on October 18, we will vote 'yes' or 'no' on this entire slate of nominees. If the vote is 'yes' the group below will begin their work in the pastoral search process. If the vote is 'no' the Session will review the list of nominees again, and present a different list of 9 candidates.

Please review the names & brief bios below of the slated pulpit committee candidates, and plan to attend a worship service on October 18 to vote.
